## BESTIVUS 2010 BY NOSAJMUNSON

# 2010

An interesting year.

Lots of stuff happened this year, good, bad and otherwise.

**Good things;**

The end of Don't Ask Don't Tell, Healthcare Reform Passed

**Bad things;**

The Gulf Oil Spill, The Tea Party, *Sex & The City 2*, *The Jersey Shore*

**Odd things;**

Lindsay Lohan didn't die, The Kardashians, The TSA's dirty picture scans, *Sex & The City 2*,

~~~~~|~~~~~

I am going to break it down into categories and list my bests and worsts of the year.

# MOVIES

My favorite movies from 2010:

**TRON: Legacy**

*(I loved it & anyone who says otherwise can suck my Identity Disk)*

**Inception**

**Harry Potter & The Deathly Hallows part 1**

**The Girl with the Dragon Tattoo**

**The Girl Who Played With Fire**

**Kick-Ass**

My least favorite movies from 2010:

## REMAKES

What the fuck Hollywood? Can you not make anything original?

Some of the remakes were good, but just the fact that so many things are being remade is scary.

Soon, "Remakes" will become its own genre.

Here are some remakes from 2010 that sucked unless otherwise noted:

**The A-Team** (while fun to watch, was certainly stupid)

**Let Me In, Nightmare on Elm St, Clash of the Titans, Alice in Wonderland, The Karate Kid, Robin Hood, True Grit, The Crazies** (I think this was better than the original).

Then there were some movies that just blew and were *not* remakes: Cop Out (WTF Kevin Smith???), Splice, Predators, Edge of Darkness
